Mrs. SHIRLEY PAXTON, Clerk, California State Selective Service Headquarters, Sacramento, advised that she could locate no record of registration for SIRHAN BISHARA SIRHAN born March 19, 1944, Jerusalem; SAIDALLAH BISHARA SIRHAN, born January 27, 1930, Jerusalem; and MUNIR BISHARA SALAMEH SIRHAN, born July 15, 1947, Jerusalem.

Miss PAXTON advised that her records reflect SHARIEF BISHARA SIRHAN who was assigned Selective Service No. 4-91-33-538, born June 7, 1933, in Jerusalem. Her records reflect registration for ADEL SIRHAN, Selective Service No. 4-91-38-534, who was born October 10, 1938, Jerusalem. She advised that both SHARIEF SIRHAN and ADEL SIRHAN were registered with Local Board 91, 2091 East Colorado Boulevard, Pasadena, California.

She stated her files reflect an Appeal Board Summary for ADEL SIRHAN on the grounds of dependency-hardship, reflecting that he was single and that he supported his mother and two brothers, furnishing partial support for his mother. This summary reflected his appeal was made in 1959 and the only classification reflected on this summary was 1-A.

Miss PAXTON stated that that agency had received a letter dated June 10, 1968, from a Mr. ROGER LEWIS, Route 1, Round Hill, Virginia, stating he was interested in problems and improvement of present system of Alien Registration for Selective Service and inquiring whether or not SIRHAN SIRHAN is suspect in the Senator KENNEDY slaying, was registered under Selective Service. A letter was addressed to Mr. LEWIS advising him that SIRHAN SIRHAN was not registered with California Selective Service System.

New York Office by airtel of June 6, 1968, furnished the following information concerning JOHN M. LAURENCE, also known as John M. Lawrence:

The June 6, 1968, issue of "The New York Times" reflects the following:

John M. Lawrence, chairman of what he called 'a pro-Arab radical left action group,' Federated Americans against Israeli Racism, 57 West 10th Street, said his organization would offer financial support to Sirhan Sirhan.

"We're for him, although we wish he hadn't used the assassination technique," Mr. Lawrence, a law researcher, said.

"He declared that 'there are no tears in us for Robert Kennedy,' whom he called 'the advocate of sending American jet bombers to Israel so Jews may kill more Arabs.'"

In addition, the New York Office furnished the following information which they classified "secret - no foreign dissemination", because it contains information from a source of continuing value (NY 554-S*), the unauthorized disclosure of which could be prejudicial of the national defense interest:

On June 6, 1968, a confidential source who has furnished reliable information in the past advised that JOHN LAWRENCE, who was associated with the Federated Americans Against Israeli Racism, 57 West 10th Street, New York, New York, furnished to the Tass News Agency, the official organ of the Soviet Government, the following statement:

"Robert Kennedy, the advocate of sending American jet bombers to Israel, so Jews may kill more Arabs, is now the victim of American bullets, pumped into him by a Palastinian Arab exile. His chickens have come home to roost. History always has a logic of revenge. The Jewish war on Palestinian Arabs more and more will necessarily be brought to the streets of America, to torture those who, in cynical politics, support it. We in FAIR reprove Mr. Sirhan for using assassination methods, but we do not turn our backs on him."

Records of the Immigration and Naturalization Service, Los Angeles, California, were made available by Mrs. ETHEL HEYER, on June 12, 1968. An Immigration and Naturalization Service (INS) file A 89 200 26 pertains to JEAN HENRI WEIDNER, also known as Johan Hendrik Weidner. This file reflects an application for immigration visa and alien registration number [REDACTED] dated 1955 at the American Embassy, Paris, France. WEIDNER in 1955 resided at number 25 Rue Richard Lenoir, Paris, France. He had travel documents Dutch passport number D 222787, issued Paris, France, valid to December 21, 1956. WEIDNER was born in Brussels, Belgium, October 22, 1921. His mother JEANNE LIESCHOTEN then resided at Via Medere, Ascona Tessin, Switzerland. His father is deceased. His wife, ELIZABETH, nee Cartier, then resided at Rue De Montfancon, Geneva, Switzerland. WEIDNER is described as follows:

Hair	Brown
Eyes	Green
Height	5'8 $\frac{1}{2}$ "
Weight	198 pounds
Complexion	Fair
Ethnic origin	Dutch
Occupation	Merchant

The file showed that WEIDNER speaks Dutch, English and French and was entering the United States to settle permanently. His sponsor was identified as Dr. FREDERICK GEORGE RE BELL, 2146 Redcliff Street, Los Angeles, California, born Cleveland, Ohio, January 18, 1903. WEIDNER entered the United States on January 29, 1955 arriving at New York City on the "SS Ryndom".

This file reflects that in 1955 WEIDNER resided at 848 East Claremont in Pasadena, California and had at a prior date resided at 1366 Boston Street, Altadena, California.

A letter of the Central Intelligence Agency (CIA) directed to the Commissioner of INS dated January 18, 1967, concerning Captain WEIDNER, JEAN HENRI, also known as Weidner, Johan

Hendrik, was classified Secret, with no foreign dissemination. This letter was directed to INS in reply to their request dated December 16, 1966. CIA reported that according to a report in their possession dated February 18, 1948 from various sources of varying reliability, one Captain JEAN WEIDNER was Chief of the Dutch Resistance in France during the German occupation and was Chief of the Escape Network "Dutch Paris". In December, 1944, WEIDNER visited the Netherlands Government in exile in London, England and as a result was asked by the Minister of Justice to create a Dutch Security Mission in Paris. Soon after its creation internal difficulties developed between WEIDNER and a member of his staff particularly including the split which existed between Colonel EINTHOVEN, Chief of the National Security Service and supported by the Rightest Liberal Party and the Commandant SANDERS, Chief of Intelligence Service of the National Security Service and supported by the Socialist - Communist Party. WEIDNER eventually sided with SANDERS. In June, 1946 it was decided to "liquidate" the National Security Service, primarily because of the EINTHOVEN - SANDERS scandal. On July 1, 1946 the Dutch Security Service in Paris was likewise "liquidated".

According to unevaluated source dated February 4, 1947 received by a predecessor organization of CIA, Captain WEIDNER, former Chief of Dutch Security, was in a restaurant with Colonel SANDERS and a Soviet Russian KATIA WLADIMEROVA, whose activities had been considered suspect.

This CIA letter carried the notation "not to be disseminated further or exhibited to anyone without prior permission of the CIA".

This file also reflects an INS report classified Secret dated February 2, 1967, at Chicago, Illinois. The report reflected that WEIDNER had appeared in the Chicago area on television on station WBKB-TV on November 29, 1966 and had been interviewed concerning a promotion for his book entitled, "Flee the Captor" depicting life in the underground movement during World War II.

LA 56-156

An unknown source had advised INS that this book bordered on being communist propaganda. The book "Flee the Captor" was authored by HERBERT FORD and was based on the life of WEIDNER in the underground in France during World War II.

This book was reviewed by an officer of INS, who concluded that the book did not contain communist propaganda.

On February 2, 1967 this investigation of INS was closed on the basis that there was no evidence developed to establish a basis for further investigation for deportation of WEIDNER.

This file also contains a notation that a telephone call was made by INS, Chicago, Illinois, to INS, Los Angeles, California, on June 1, 1967 indicating that WEIDNER had made an application for a re-entry permit form I-90 at Chicago, Illinois and desired to leave the United States on June 15, 1967. This notation indicated a request of INS, Chicago, for basic information involving WEIDNER's status and any derogatory information that would effect issuance of a re-entry permit.

This INS report contains a notation dated May 17, 1967 concerning a lost alien registration card. This notation indicated that WEIDNER states that his wallet was stolen in a street car in Naples, Italy on April 29, 1967 and that his wallet had contained his alien registration card. He had departed the United States on March 29, 1967 and he planned to travel to Canada on June 15, 1967.

Date 6/17/68

ZARAH VOUIKIAN was interviewed at his apartment, Apartment 44, 20700 San Jose Hills Road, Walnut, California.

VOUIKIAN advised that he is a student at Cal Poly in Pomona, California. He stated that about four years ago he became an employee of the Fez Restaurant located at 1508 North Vermont, Los Angeles, California. He advised that he continues to work in this restaurant, generally on Friday and Saturday nights.

Approximately four years ago, he stated that he met ADEL SIRHAN, brother of SIRHAN BISHARA SIRHAN, who was employed at that time as a musician at the restaurant. He said that during the ensuing years he has heard ADEL talk of his brother, SIRHAN BISHARA, as being an employee of a race track in the Los Angeles area.

He advised that he first met SIRHAN BISHARA at the Santa Anita Race Track when he attended the races one day with another employee of the restaurant. Since that time he advised that his contact with SIRHAN BISHARA has been on one or two occasions at the race track and on occasion when SIRHAN BISHARA would drop in the Fez Restaurant. He stated that he has never seen SIRHAN BISHARA at the restaurant except either alone or in the company of his brothers and maybe on one occasion with his mother. In his brief conversation with SIRHAN BISHARA at the restaurant, he said that he has never had any conversation regarding politics as concerning the countries of Israel and Jordan.

To the best of his recollection, his last contact with SIRHAN BISHARA would have been approximately one year ago at the Santa Anita Race Track.

It was his impression that all of the SIRHAN brothers loved to gamble, particularly on horse races. He felt that the SIRHAN family is not a close knit one in that the brothers, with the exception of ADEL, generally tended to go their own way and

are not active as a family. He stated that the brothers did not properly care for their mother, except that ADEL probably assists her financially. He recalled that about two years ago ADEL told him that MUNIR BISHARA SIRHAN had been picked up by the police for taking photographs of a nude girl. Other than this, he did not know of any other arrests that the brothers might have had. He stated that ADEL SIRHAN quit his job at the Fez Restaurant about one year ago and is probably employed now at Shakers Oasis, located on Hollywood Boulevard. According to him, ADEL and some of the other brothers, other than SIRHAN BISHARA, still drop in at the Fez Restaurant on occasion.

His impression of SIRHAN BISHARA was that he was the quiet lonely type of individual who when he came to the Fez would sit by himself, probably have a couple of drinks, and leave after a short period of time.

VOUJIKIAN did not know the names of any of SIRHAN BISHARA's associates, particularly any girls. He stated he has never seen him in the company of a girl.

Regarding political feelings among Jordanians in this country generally as to American politicians, VOUJIKIAN said that generally they prefer the policies of EISENHOWER and NIXON as opposed to any Democrats because their policy seems to favor, or to have favored in the past, Arab countries.

VOUJIKIAN advised that MIKE SIAN, Manager, Fez Restaurant, would be acquainted with all members of the SIRHAN family, although he would not be considered an associate of that family. He related that SIAN has been contacted by the Los Angeles Police Department regarding the SIRHAN family and possibly by FBI Agents, although he was not certain of this. He described SIAN as having been somewhat talkative around the restaurant about politics. He did not know whether SIAN could furnish any pertinent information regarding SIRHAN BISHARA SIRHAN.

VOUJIKIAN advised that he will probably continue his employment with the Fez Restaurant and in his position with the restaurant feels that he is in a good spot to furnish information regarding the actions of the Arabic clientele that frequent the restaurant. He said that it is the nature of the Arab people not to be able to hold anything secret and that they are inclined to talk quite a bit. He said that if any pertinent information comes to his attention, he would notify the FBI. VOUJIKIAN described himself as an Armenian-Lebanese person.

VOUJIKIAN requested that any information furnished by him be treated in a confidential manner. He said that if it were to become known that he was furnishing information to any law enforcement agency, it might jeopardize his position among the Arab clientele at the Fez Restaurant.

Title: SIRHAN BISHARA SIRHAN

Character: CIVIL RIGHTS

Synopsis: Persons shooting at San Gabriel Valley Gun Club, Duarte, California, at same time as SIRHAN BISHARA SIRHAN on 6/4/68, recall SIRHAN practicing with .22 caliber pistol. JESUS PEREZ, kitchen helper at Ambassador Hotel, Los Angeles, advised that about 11:30 p.m., 6/4/68, he observed man, later identified to him as SIRHAN BISHARA SIRHAN, in pantry of Ambassador Hotel. SIRHAN asked PEREZ several times if Senator KENNEDY would pass that way as he left Embassy Room. PEREZ advised he told SIRHAN that he did not know. PEREZ stated SIRHAN had some type of papers in his hands and he did not see anyone else with SIRHAN. Other Ambassador Hotel employees interviewed and unable to recall observing SIRHAN in hotel prior to shooting. RAFAEL JOHNSON, who assisted in subduing SIRHAN after shooting at Ambassador Hotel, advised he asked SIRHAN immediately after shooting, "Why did you do it?" After JOHNSON repeated the question several times, SIRHAN answered, "I'll explain it." JOHNSON did not see SIRHAN in Ambassador Hotel prior to shooting. JUDY MARIE ROYER, private secretary to former California Governor EDMUND "PAT" BROWN, advised that during evening of 6/4/68, about one or two hours before Senator KENNEDY's speech, she had been walking in passageway behind stage of Embassy Room. She saw SIRHAN in the passageway and told him to leave as area had to be kept clear because of fire regulations. She watched SIRHAN walk into the Embassy Room and did not see him again prior to shooting. ROYER noticed nothing unusual about SIRHAN's

LA 56-156

behavior and he appeared to be alone. Investigations in neighborhoods where SIRHAN family has resided in Pasadena, California, determined members of family are quiet, reserved, and keep to themselves. Members of SIRHAN family interviewed and all advised SIRHAN BISHARA SIRHAN had not been out of State of California since 1957, and that during period 1957 to 6/4/68, the longest period of time that SIRHAN had been away from home was for periods of seven to ten days while employed as exercise boy near Corona, California. Former high school and college fellow students and instructors of SIRHAN in Pasadena reported SIRHAN as intense student who did not mingle much with other students. SANDRA SERRANO, who had reported woman in white dress with black polka dots running from Ambassador Hotel immediately after shooting, claiming, "We've shot him. We've shot him," interviewed by Los Angeles Police Department 6/20/68. SERRANO admitted previous story concerning girl in white dress with black polka dots was figment of her imagination.

TRACING OF GUN USED IN SHOOTING

FEDERAL BUREAU OF INVESTIGATION

Date 6/17/68

Mrs. DANA TULITA WESTLAKE, 349 Redwood Drive, Woodacre, California, was contacted at the home of GEORGE CHARLES ERHARD, 1978 Olive Way, Pasadena, California. She was advised of the identity of the interviewing agent and of the fact that she was being contacted with regard to the handgun used in the assassination of Senator ROBERT F. KENNEDY.

She advised that she had returned to the Los Angeles area to visit with her family and friends and that she planned on returning to Woodacre, California, on June 16, 1968. She added that the ERHARDS' were former neighbors and that she had resided at 1988 Olive Way prior to moving to Woodacre, California, on February 12, 1968.

WESTLAKE advised that her father, ALBERT L. HERTZ, had originally purchased a .22 caliber, eight shot, Iver-Johnson revolver during the Watts riots (October, 1965). This revolver was kept in the HERTZ home until about January, 1967 when her mother, Mrs. SARA TAYLOR HERTZ, 777 East Valley Boulevard, Apartment 32, Alhambra, California, gave the revolver to Mrs. WESTLAKE. She added that her mother did not want the revolver in the house and did not feel it was necessary to have it laying around.

WESTLAKE advised that to her knowledge the revolver had never been fired by her father or anyone else prior to this time and that the revolver was still in a box and wrapped in a black oily paper. Also contained in the box was a short rod which she assumed was used to clean the revolver. In addition, she received some ammunition for the revolver; however, she "got rid" of the ammunition soon after she received the revolver and she hid the revolver in the attic of their residence, which was 1988 Olive Way, Pasadena, California, at that time. The revolver was still in the original box it came in and she hid it so that her children would not find it and maybe harm or kill someone by accident.

In approximately September or October, 1967, her husband started to remodel their home and it was necessary to remove the roof from the house. At that time she removed the contents from the attic and decided she would get rid of the revolver. Since her neighbor's son, GEORGE CHARLES ERHARD, JR., collected guns and many other things, she decided to give him the revolver. ERHARD, JR. agreed to take the revolver and she gave it to him as it was, in the box and still wrapped in the oily paper. She advised that neither she nor anyone else had fired the revolver up until the time she gave it to ERHARD, JR. She stated that no one knew that she had the revolver except her husband and her father and mother and that ERHARD, JR. did not come to her to purchase a gun. She reiterated that she merely gave him the revolver in order to prevent an accident in the event her children found it.

WESTLAKE described the revolver as an eight shot, Iver-Johnson revolver with a short barrel and a cylinder which could be taken out to extract the cartridges. In addition, it was a dark or blue steel weapon with a small hand grip. She had no record of any serial numbers which could be used to identify the revolver any further.

She advised that she was presently employed by PETER EDWARDS, Manager of "The Reporter", a newspaper, and that she was legal clerk. Their office is located at Fourth and A Streets, Herzog Building, Fairfax, California.

"I, JESSE CARDONA, 620 Hurstview Avenue, make the following voluntary statement to JOSEPH G. DAVIS, JR. and JAMES E. ROSS, who have identified themselves to me as Special Agents of the FBI.

"On 6/4/68, I was regularly engaged in delivering mail out of the Duarte Post Office. Part of my route takes me to the San Gabriel Valley Gun Club, Duarte, when I usually take my dailey break. I arrived about 10:50 a m and took the mail to LLOYD HAGER, the range master. We were standing there talking and my neighbor, CHARLES MILLNER, and a friend RUSSELL WEAVER came in. They arrived at approximately 10:55 a m. I greeted them, they paid their fees, got their targets, and then we all walked to the pistol range.

"There was only one person on the pistol range at that time. He was on the far west end of the shooting line, down near where the small numbers begin. He was not then shooting, so MILLNER and WEAVER put up their targets, and returned to the firing line. MILLNER and WEAVER were at the opposite end of the pistol range, the east end.

"I did not talk to the person at the west end of the pistol range. As best I can recall, he was a white male, approximately age 25 to 30 years old. He was about 5 foot 3 inches tall, weighed about 150 pounds, and had dark, possibly black hair. He wore 'blue levis' pants and had on a 'pull over' sweater type shirt with short sleeves. He was a very muscular person. He had on shooters type 'ear muffs'. I do not know what

"type of gun he was using but he did have what appeared to me to be a telescope with which he could look through at a target.

"Based on my observations of this person, I do not think that he is identical with the person pictured in the photographs displayed to me by Special Agent DAVIS. I did recognize the photographs as being the person identified in the newspapers as SIRHAN SIRHAN. I cannot recall observing SIRHAN on the pistol range while I was there or anyone resembling him.

"I left the range about 11:15 a.m. continuing on my mail route. At the time I left, only my two friends and the person at the west end of the pistol range previously mentioned were then at the pistol range. No other persons came during this time to the pistol range.

"To the best of my recollection, there were no female persons on the range, although there was several other male persons on the rifle range, whom I did not know.

I've read the above statement consisting of this page and three others. It is true and correct, in every respect.

Reverend HUGH E. GLASS, 300 West Hardy, Inglewood, California, telephone 671-0608, advised on June 11, 1968 that on June 4, 1968 at approximately 12:30 p.m. he arrived at the San Gabriel Gun Club, 4001 Fish Canyon Road, Duarte, California.

At the time of GLASS' arrival at the gun club he estimated that at least six or eight people were on the range but GLASS paid no attention to any of these individuals. He advised he had seen SIRHAN SIRHAN's photograph in local newspapers and after viewing additional photographs of SIRHAN, GLASS stated he did not observe this individual at the gun club. GLASS did state however, that a blond Caucasian female, 22 to 26 years of age, was observed by him as he arrived at the range. The unknown female was walking from the pistol range to the range house and was not further observed by him. GLASS did state, however, he could possibly identify this Caucasian female if he should see her again or be shown some photographs of her.

GLASS stated further he would be leaving the Los Angeles area on June 12, 1968 en route to Anchorage, Alaska returning to Los Angeles, July 5, 1968. If necessary GLASS stated he could be located in Anchorage, Alaska by contacting the Church of the Nazarene in Anchorage, Alaska.

RICHARD THOMAS GRIJALVA, 9011 South Morrill, Santa Fe Springs, California, was interviewed at his residence. He was advised that the purpose of the interview was to obtain any and all information known to him concerning the activities which occurred at the San Gabriel Valley Gun Club, Duarte, California, on June 4, 1968, on which day he had been at the range.

GRIJALVA advised he had gone to the range on June 4, 1968, with his sister, ROBERTA GRIJALVA, age 19 years, for the purpose of firing his rifle, stating that the reason he had taken his sister was for her to assist him in "spotting" his shots. He said that to the best of his recollection he had arrived at the range and had signed in somewhere in the vicinity of 10:15 a.m. and 10:25 a.m., stating that he could recall a time rather specifically as he has formed a habit of looking at his watch when arriving or leaving a particular place. He said he recalled staying at the range until approximately 2:45 p.m. at which time he returned home.

He said after signing in and obtaining a target, he had immediately gone to the rifle deck where he began shooting, believed by him to be in approximately gun position number 34. He said there were several other people on the range firing at this time and he recalled to his right, approximately five or six positions from him, were two young men in their early 20's. Also to his right and between his position and that of the two young men was an older man and woman, who had with them a young child, age about three or four years. On his left he observed an elderly man several positions from him sighting in a rifle which he recalled was a .22 caliber bolt action with scope. He said he also recalled two men accompanied by a blond female around the rifle deck, but said he could not recall whether these individuals were firing or not. He said the blond would be about 25 years of age, white, 5'7", blond hair worn in a ponytail, light complexion, blue eyes, heavy set and wearing light colored capris with the blouse out.

GRIJALVA stated the two man may have been brothers, these men being approximately 23 to 25 years of age, who were both to his recollection wearing T-shirts, levis and generally were very unkempt. He stated he also believed that the older of the two men was wearing a beard which appeared to be red.

He stated while firing the rifle he could hear firing from the pistol range and noted that the firing was very rapid. He said he thought at this time it was very strange, inasmuch as rapid fire shooting is generally not allowed. He said he did not actually go to the pistol range to observe who may have been firing the pistol, but that on one occasion, when getting a new target at the target shed near the pistol range, he observed a young male further up the pistol range and assumed that this was the man who was firing the gun. He said he based this assumption on the fact that he could not recall seeing any other individuals on the pistol range at this time.

GRIJALVA stated after a considerable period of time, the specific time not recalled since he paid little attention to the actual time, he observed a young white male coming from the direction of the pistol range carrying a pistol and that this individual went to a car in the parking area where he apparently left his pistol and picked up a rifle. He said this individual then came to the rifle deck at about position number 30 and commenced firing the rifle which he described as a .22 bolt action. He described this individual as white, male, 24 to 27 years of age, dark complected, 130 pounds, hair combed back very neat and who was wearing a blue sweater, blue pants and possibly blue denim shoes. He said the man also wore sunglasses and it was very obvious to him that the man was a stranger, inasmuch as he kept to himself and did not desire to talk to anyone. He said this was quite strange, inasmuch as most shooters will discuss their shooting with each other during the course of the day.

Mr. GRIJALVA was exhibited a photograph of SIRHAN SIRHAN; and after viewing this, stated that this individual closely resembles the man he had seen coming from the pistol deck and ~~then~~ who had then commenced firing a .22 rifle. He said he could not be certain of this identification, inasmuch as the man wore sunglasses but said that the shape of the face and the general build closely resembled this man.

It was the recollection of GRIJALVA that this individual was still firing the rifle when he and his sister left the range at approximately 2:45 p.m.

ROBERTA GRIJALVA, 9011 South Morrill, Santa Fe Springs, California, was interviewed at her residence. She was advised that the purpose of the interview was to obtain any and all information known to her concerning the activities which occurred at the San Gabriel Valley Gun Club, Duarte, California, on June 4, 1968, on which dayshe had been at the range.

GRIJALVA stated she is 19 years of age and had accompanied her brother, RICHARD GRIJALVA, to the San Gabriel Valley Gun Club on June 4, 1968, stating that the main purpose in her going was to "sight in" her father's rifle. She said her brother had also asked her prior to going to the range if she would assist him in "spotting" his target for him.

She stated she could not recall specifically as to what time they had arrived at the range but stated that to the best of her recollection it was in the late morning, probably in the neighborhood of 11:00 a.m. but said she could recall specifically about the time they had left the range, this being at 2:45 p.m. due to the fact that she had to be at work at 4:30 p.m. in the afternoon. She said that they had arrived home from the range at 3:30 p.m. on this date.

GRIJALVA said when they arrived at the range they had walked from the car to the rifle deck to a position approximately 100 feet from the target shed where her brother subsequently fired the rifle. She said her brother had gone to the target shed for the purpose of signing in and obtaining a target but that she had gone directly to the deck. She said when approaching the rifle deck, she observed in the same area two men and a woman, who had apparently finished firing a rifle and who were then in the process of leaving the range. She said she observed that the rifle they had apparently been firing had been left at the gun position and that the three had walked in the direction of the parking area. She said

right after this she observed the older man and woman, who had been conversing with each other, walk in the direction of the pistol range and she then lost sight of them. She said the younger man did not go to the pistol range but had stayed near the car and subsequently, in about 50 minutes, had walked back to the rifle position, had picked up the gun and had returned to the area where the car had been parked. She said at the time he returned to the car with the rifle the man and woman were observed, by her, to be returning to the car after which time they all got into the car with the man driving, the woman in the front seat and the younger man in the rear seat and departed.

She described the automobile being driven by these people as a late model Lincoln Continental, possibly a 1966 or 1967 model, which she believed was a dark brown in color. She said that she was quite certain as to the make of the car, inasmuch as her next door neighbor has a car just like this.

Miss GRIJALVA furnished the following descriptions of the above three individuals:

Race	White
Sex	Female
Age	28 years old
Height	5'6"
Complexion	Fair
Hair	Blonde
Characteristics	Attractive, well built, wearing a scarf and sunglasses, dark colored capris, light sweater, possibly blue.

GRIJALVA stated the hair was for the most part hidden as the girl wore a scarf but she would estimate that the hair would be approximately shoulder length.

3
LA 56-156

Sex	Male
Race	White
Height	5'6" to 5'7"
Age	30 to 33
Clothing	Short sleeved sweater, dark slacks,
Hair	Dark hair, neatly combed

Sex	Male
Race	White
Age	20 to 21
Hair	Dirty blond bushy hair
Clothing	Wore an old, possibly canvas type hat with brim with hair protruding around the sides, light colored shirt, light foreign handmade neck tie and an old type jacket, brown in color, which appeared to be of the western type with cloth fringe.

GRIJALVA stated this individual was very distinctive and he looked quite out of place with the hat, hair and neck tie and that she would describe him as a "hippy" type.

She stated as before that the girl and the older man conversed with each other at all times but that she could not hear any of the conversation and that she had gained the impression that they were not man and wife but had merely gone to the range together.

She said she did not know whether the girl had actually fired the gun or not.

With respect to any firing on the pistol range, she said that while her brother was firing his rifle she heard a great deal of firing from the pistol area and noted that

4
LA 56-156

the firing was all very rapid. She said she did not go to the pistol range to see who was firing the gun, but on one occasion while at the target shed she observed one man on the pistol range dressed in blue clothes, who she assumed to be the man firing the pistol.

GRIJALVA said she later observed this man, who she said was wearing a blue sweater, blue slacks and sunglasses come from the direction of the pistol range at which time he obtained a rifle from some place which she had not observed and he then commenced firing a rifle. She said he fired this rifle on four or five positions from which she and her brother were located, that he did not fire for any great period of time. She said while still at the rifle range, and while her brother was firing, this man quit the rifle shooting and apparently left the range as she did not see him again.

GRIJALVA was exhibited a photograph of SIRHAN SIRHAN at which time she stated that she believed that this individual was identical to the individual described above who she had observed wearing blue clothes coming from the pistol deck to the rifle deck. She said she could not be certain in her identification; however, inasmuch as the individual she had seen wore large sunglasses, which she thought strange inasmuch as she did not believe the best shooting could be had while wearing sunglasses. She stated the face of this individual was of the same shape as that of SIRHAN SIRHAN and that she recalled that this individual appeared to be foreign.

She stated she could recall no further details of this particular date but felt quite certain that she would be able to recognize the female described above should she see her again and was quite definite that she could recognize the younger man, whom she believed to be the "hippie" of the group.

She stated should she recall anything specific on this date she would immediately contact the FBI.

Mr. LELAND B. HANSON, 300 San Antonio Road, Arcadia, California, stated he drove alone to the San Gabriel Valley Gun Club, Duarte, California, on June 4, 1968. He arrived at about 8:00 a.m. and left about 11:40 a.m. Upon arrival he signed in at the Range Master's Shack located between the pistol and rifle ranges and went immediately to the rifle range. He shot from a position about the middle of the rifle range, possibly on Target No. 39. Two men were on the line when he arrived, both about 70 years of age. A man around 28 years of age arrived about 9:00 a.m. and shot near him. He exchanged "gun talk" with this person whom he described as 5'8", medium build, brown hair, with light complexion. This man left about 11:00 a.m.

HANSON said the only females he observed during the entire time he was at the range was a woman approximately 48 years of age accompanied by a girl about 17 years of age and two men, one about 48 years of age and a boy around 18 years of age. These four individuals arrived at the rifle range around 10:00 a.m. HANSON could recall no descriptive data concerning the older man and woman except he felt the older woman had brown hair. He felt the girl who wore shorts was about 5'3", 120 pounds, and also had brown hair. The boy had extra long light brown hair, fair complexion, and was about 5'10" tall. He said the boy also had a pistol which he placed on the bench. After firing a .22 rifle for about 45 minutes, these four individuals left, and he did not particularly notice their departure.

HANSON said he could see two or three individuals on the pistol range from his location, but he was so far away he could not tell whether they were men or women. He saw no one at the range whom he knew except the range master who was working with another range employee digging post holes to the rear of the rifle range. HANSON viewed a photograph of SIRHAN SIRHAN and said to the best of his knowledge, he has never seen the latter.

CHARLES BIRL KENDALL, who resides at 2107 West Ramona, West Covina, California, telephone number 337-3150, provided the following information:

KENDALL advised that he is 80 years of age and is retired and a member of the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California. KENDALL stated that he has been interested in firearms for many years and regularly goes to the San Gabriel Valley Gun Club and shoots two or three times a week.

KENDALL stated on June 4, 1968, he ate an early lunch and proceeded to the firing range. He said after signing the gun club member roster, he secured his target and went to a shooting position at approximately position number 5 or number 6. He stated that he recalled an individual whom he described as 5'5" or 5'6", 115 pounds, dark complexion, with dark bushy almost wiry hair and dressed in light colored clothing firing a .22 caliber pistol from approximately gun position 12, 13, or 14. KENDALL stated that he did not engage this individual in conversation but that he was well aware of his presence because the individual was firing very rapidly and accurately.

KENDALL advised that he left the range about 1:30 p.m. or 2:00 p.m. and that he does not recall if the individual was still on the range at that time. KENDALL stated he did remember, however, noting an old beat up light colored DeSoto was still there because it was parked beside his own car. KENDALL stated that he had no idea who this car belonged to.

KENDALL stated that he did not recall seeing any women on the pistol range and in fact, did not remember seeing anyone else other than himself and the previously described individual. He further stated that he did not recall seeing any member of the range personnel walking along the pistol range while he was there.

KENDALL advised that on further reflection regarding the matter, he believes he recalls seeing a man and woman around firing position number 1 either on June 4, 1968, or possibly June 8, 1968. He stated he could provide no description on the man or woman. He stated that he recalled seeing several boxes of .22 caliber shells in front of the individual on the bench and he thinks they were long rifle shells although he could not be positive.

KENDALL stated that after learning of the assassination attempt on Senator ROBERT F. KENNEDY and hearing the description of the suspect in custody by local police, he immediately thought of the individual whom he had seen at the firing range on June 4, 1968. After seeing SIRHAN SIRHAN's picture on television, he felt sure that this was the individual whom he had seen.

Upon being shown photographs of various individuals including SIRHAN SIRHAN, KENDALL picked out the photograph of SIRHAN as definitely being the individual whom he had seen at the San Gabriel Valley Gun Club on June 4, 1968.

Mr. GILBERT PETER LEOS, 1908 South 5th Street, Alhambra, California, advised that he is employed at the Shopping Bag Food Store, 2408 Lincoln Avenue, Altadena, California. LEOS said that he was born on May 21, 1941 at Los Angeles, California, and that he is a member of the San Gabriel Valley Gun Club, Duarte, California.

Mr. LEOS advised that he is a regular shooter at the San Gabriel Valley Gun Club on Tuesdays and that on Wednesdays he often attends the Pasadena, California Gun Range. Mr. LEOS said that he recalls on June 4, 1968, having arrived at the San Gabriel Valley Gun Club at approximately 9:30 A.M., when he took position No. 26 or 27 on the pistol range. He said that that day he fired his .22 Browning Metallic Automatic long rifle and his .45 Colt Gold Cup Match. LEOS said that he recalls being the first one on the pistol range and that the part of the range where he was firing was the 25 yard section. He said that, shortly after he arrived and was firing, he recalls two men and a woman arrived at approximately 9:40 to 9:45 A.M. and they took position 1, 2, or 3 on the pistol range which was to his extreme left.

LEOS said that he got the impression that these individuals were all associated with law enforcement but that he had no proof of this. He described Man No. 1 as a white male, possibly Italian extraction, between 30 and 35 years of age, 5'6" - 5'7" tall, 150 - 160 pounds, black wavy hair, having no accent, and wearing a brown suit. He described Man No. 2 as a white male, 40 to 45 years of age, balding in the center, having a mustache, approximately 5'5" tall, stocky build, approximately 160 pounds, wearing a sport coat, possibly checked, and slacks, color of which he could not recall. LEOS described the woman as a white female in her early 40s, having light brown hair, and wearing a skirt which he thought resembled that of a police-woman's, having a medium build, wearing bowling type shoes.

LEOS said that, shortly after these three individuals arrived on the range and began to fire, Man No. 1 came to him, LEOS, and asked him for a screwdriver to adjust the sight of his weapon. LEOS said that he paid no particular attention to this and did not actually see the gun, but said that, from hearing it fire, he estimated it to be a .38 pistol. As best as he could remember, LEOS said that he thought all three of these individuals fired the same gun. LEOS said that all three of these individuals left the range before he did and would estimate that they left approximately 10:45 to 11:00 A.M., this date. LEOS said that he could not recall hearing any rapid fire while he was on the range nor does he recall having seen anyone at the range resembling the photograph of SIRHAN B. SIRHAN.

LEOS said that he recalled having left the range at approximately 11:20 A.M. on June 4, 1968 and that he recalls two young Caucasian males come onto the range as he left; however, he took no particular note of these individuals and could furnish no further information regarding their activities or descriptions.

They both fired on the rifle course which is adjacent to the pistol course. Both of these courses are separated by a small two story building where they sign in for the day's shooting. He arrived at the gun club at approximately 9:30 a.m. He went directly to the target house where he paid a fee and obtained a target and a telescope. He was requested to register because he rented a telescope. Mr. SEM advised he first used the rifle range where he practiced shooting his Japanese 6.5/257 caliber rifle. He was assigned to target number 57 or number 58, as best he could remember, which he explained was located approximately the middle of the rifle range. Mr. SEM stated he remained on the rifle range for approximately one and one-half hours. During this time there were approximately ten to twelve other individuals using the rifle range. He was not acquainted with any of these individuals nor did he converse with any of them except an older man, approximately 50 years old, who occupied the station just to the right of him. This individual seemed to know a lot about guns and helped Mr. SEM adjust the sight on his rifle when he had trouble with it. This individual was by himself.

Mr. SEM advised that on one occasion while they were walking to the targets to examine them, he noticed two young females walking ahead of him. He described them as follows:

Number one

Sex	Female
Race	White
Age	Late teens or early 20's

Mr. SEM stated he observed number one in the company of an individual described as follows:

Sex	Male

Age	Mid 20's
Height	6'2"
Weight	170 to 180 pounds

The female was shooting a .22 rifle and the male was shooting a high powered rifle. Mr. SEM stated he did not pay particular attention to the other individuals at the rifle range and advised the females he referred to could have been together with an older male as a family group.

Mr. SEM stated he returned his rifle to his car after an hour and half and obtained his pistol; a .22 Ruger magnum. He obtained a target from the target house and located himself approximately 1/3 of the distance from the target house. He advised he remained approximately 45 minutes on the pistol range. During this time there were five other males using the pistol range. Two of these were located at the far end and the one occupying the last position was shooting a .357 Magnum, the second one was shooting what Mr. SEM thought was a .38 revolver. Mr. SEM advised an individual just to the right of him was shooting a .357 Magnum. Two others were located near the target house. He did not know the caliber of the pistol used by the one nearest the target house, however, the second one was shooting a .22 pistol.

Mr. SEM stated he did not pay particular attention to the individuals on the pistol range, however, he was interested in the guns they were shooting and therefore felt his description of the guns being used was quite accurate.

Mr. SEM advised that at no time during his stay at the gun club did he observe a blonde female. He stated there definitely was not a blonde female using the pistol range while he was using that range. Mr. SEM observed a photograph of SIRHAN SIRHAN, Los Angeles Police Department number 495 139. He stated that at no time while he was using the gun club ranges did he observe this individual present.

Mr. SEM stated he departed from the gun club at approximately 12:30 p.m.

LESNE R. SMOOTZ, Apartment E, 639 Le Mar Park Drive, Glendora, advised that he was born May 10, 1917 at Walla Walla, Washington and is presently employed as the manager of J. J. Newberry Department Store, 501 South Glendora, Glendora, California.

Mr. SMOOTZ said that he is a member of the San Gabriel Valley Gun Club, Duarte, California, and that he recalls having come to the range on June 4, 1968 sometime between 2:00 P.M. and 3:30 P.M., that date. He said he spent a total of approximately 30 minutes at the range during this period of time, during which he was firing his new .22 250, Model 788 Remington pistol. He said that he was sighting this new weapon in and that he was on the rifle part of the range. He said that he was on the 25 yard target range somewhere between positions 20 and 35, which is pretty far removed from the pistol range.

Mr. SMOOTZ said that at no time during his stay at the range on this day did he go to the pistol range, nor did he see anyone on the pistol range. He said that he does not recall seeing any blond woman, nor did he recognize the photograph of SIRHAN B. SIRHAN as anyone that he had seen that day at the range or at any time.

Mr. SMOOTZ said that during the time he was firing he fired a .22 shell which had a double load in it and this caused his gun to jam. He said that he then found it necessary to leave the range and go have his gun fixed. Mr. SMOOTZ said that he recalls having conferred with the range manager, LLOYD HAGER, on his way out in an effort to determine where he might be able to have his weapon repaired. Mr. SMOOTZ said that HAGER advised that he go to a place called Campers Haven, where he subsequently did go and left his gun to be repaired.

Mr. SMOOTZ said that he could vaguely remember having seen other people at the range but he could recall

MARION HENRY STIPP, 9561 Pentland, Temple City, California, was interviewed at his residence. He is self employed as a subcontractor doing lettering for commercial signs.

Mr. STIPP advised he went to the San Gabriel Valley Gun Club the morning of June 4, 1968 to speak with Mr. HAGER, the range manager, regarding some sign work he was to do for the club and also to practice shooting his rifle. He arrived at the club around 9:00 a.m. He spent approximately one-half hour talking with Mr. HAGER and another individual by the name of CHARLIE JENKINS, who was doing some concrete work at the club. Mr. JENKINS is a member of Veterans of Foreign Wars (VFW) at Monrovia, California. Mr. STIPP stated he registered at the target house listing his name and address. He explained he was not required to register but he normally does so as he is then placed on a mailing list to receive brochures regarding hunting seasons, etc. Mr. STIPP stationed himself in approximately the middle of the rifle range and as best he could recall, it was target number 52. He was shooting a 300 Holland and Holland Winchester Model 70 rifle. Mr. STIPP is a National Rifle Association (NRA) member, membership number 15R91780STIPM9561, expiration date October, 1970. Mr. STIPP advised that when he arrived at the rifle range, there were four other males on the range; two to the right of him and two to the left. After being on the range about one hour, a young man arrived and stationed himself next to him, Mr. STIPP. This individual in his mid 30's, was alone. He was shooting a Japanese rifle. At one point this individual had trouble with his rifle and he, Mr. STIPP, helped him adjust the sights. Mr. STIPP advised he noticed two young fellows, probably in their middle 20's, stationed approximately eight to ten places to his right and each were shooting a 03A3 30:06 Military rifle. He advised he did not pay any attention to the other individuals at the range nor the rifle being used. He also mentioned he did recall seeing a young girl, approximately 14 to 21 years of age on the rifle range. He specifically remembered seeing her in the company of an older man and assumed this was her father.

JAMES J. THORNBURGH, 15845 Harvest Moon Avenue, La Puente, California, provided the following information to SA GEORGE M. KLING and SA CHARLES W. BADGLEY, after identifying themselves as Agents of the FBI.

THORNBURGH advised that he is 26 years of age and is currently enrolled as a Student at California State College at Los Angeles.

On June 4, 1968, THORNBURGH advised that he arrived at the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California, at approximately 10:30 to 11:00 a.m. for the purpose of target shooting. THORNBURGH stated that he had just recently obtained a .22 caliber clip loaded Ruger automatic pistol and he wanted to practice with it. After paying the admission fee and securing his target, THORNBURGH stated that he took his place at a firing position closest to the range house. THORNBURGH stated that he thought this would be approximately gun position 22 or 23. He stated he saw an individual, who he described as approximately five feet six or seven inches in height, 135 to 140 pounds, dark curly hair, dark complexion, firing at a gun position to his left in an area, which he estimated to be around gun position 12 or 13.

At this time, THORNBURGH was shown a number of photographs, including a photograph of SIRHAN BISHARA SIRHAN, Los Angeles Police Department Booking Number 495 139, and THORNBURGH positively identified the photograph of SIRHAN as being the individual whom he saw at the range.

THORNBURGH further stated that the individual whom he identified as SIRHAN was at the range when he, THORNBURGH, arrived. THORNBURGH stated that he left the range at approximately 2:00 p.m. and to the best of his knowledge, SIRHAN had left the range sometime between 12p.m. and 1 p.m. THORNBURGH said that during his time on the pistol range, he never recalled seeing SIRHAN talking to anyone along the firing line, never saw any

range personnel patrolling the firing area and did not recall seeing any woman on the range except for one girl, whom he could describe only as Mexican appearing and possibly in her twenties. He stated he did not recall seeing this girl in the area of SIRHAN, nor did he observe any conversations between them.

THORNBRUGH stated that one thing that sticks in his mind concerning SIRHAN was the fact that he was shooting more rapidly than others on the range and the fact that he was shooting from a rather unusual crouching position.

THORNBRUGH stated that he saw only one individual at the range whom he knew personally and that individual was MIKE HOLGATE, whom he said was presently a student at Citrus Junior College in Glendora, California.

BEN TROWER, 212 West Sierra Madre, Arcadia, California, stated he and his friend, JIM LANGLOIS, drove to the San Gabriel Valley Gun Club, Duarte, California, on June 4, 1968. They arrived at approximately 3:15 p.m. and left about 4:45 p.m. Upon arrival they signed in at the Range Master's Shack and went directly to the rifle range where they fired from a position at about the middle of the range. About 3:40 p.m. a man and woman arrived in a blue 1965 or 1966 Chevrolet and parked to the rear of the rifle range. The man fired a rifle from a position three targets to their right. The woman remained in the car to the best of his knowledge, and it was his impression the woman was in her early 20's and had dark hair. He described the man as about 6', straight blond hair, 20 - 25 years, heavy build. This man left shortly before 4:45 p.m. He did not see the woman leave the automobile nor did he observe any other females at the range. He heard occasional shots from the area of the pistol range but could not recall seeing anyone in that area. He knew no one at the range other than recognizing the range master who was working in the general area of the rifle range.

TROWER viewed a photograph of SIRHAN SIRHAN and said to the best of his knowledge he has never seen the latter.

"I, RUSSELL DOYLE WEAVER, 2221 Broderick Avenue, make the following voluntary statement to JOSEPH G. DAVIS, JR. and JAMES E. ROSS, who have identified themselves to me as Special Agents of the FBI.

"On 6/4/68, I accompanied a friend CHARLES MILLNER, 626 Hurstview Avenue to the San Gabriel Valley Gun Club, Duarte, arriving there at approximately 11 AM. On arrival, we went to the range master to check in and to get targets. We then went to the pistol range portion, which basically runs east and west. We took a position on the right hand side of the pistol range, that is, the last target position to the east side of the pistol range.

There was one other person on the pistol range at that time. He was at the target position to the far left of the pistol range, that is, about the last or next to last target position to the west side of the pistol range.

"The range master asked this person to cease firing in order that we could put up our targets down range.

"I would describe this person as follows: A heavy set muscular person weighing approximately 220 pounds. He was white, male, approximately 6 feet tall, 24 or 25 years of age, olive complexion, black "kinky" hair resembling that of a person of Italian descent. He was wearing a dark blue turtle neck shirt with short sleeves. He had on shooters

"type 'ear muffs', appearing to be of some type blue cloth with fur on it, of a commercial nature. It was my impression only, that he might be a police officer, because he was orderly in handling his gun and amunition and he appeared to be an experienced shooter. This person had two guns. One was a .44 magnum automatic, the gun he was then shooting and holding in his right hand. The other gun was a smaller automatic, blue in color, and which may have been a .22 caliber. This smaller gun was lying in a black 'satchel' type of case, one side of which folded down opening up the 'satchel'. He also had a small telescope which was mounted on a tripod resting on the bench. The scope was about a foot long and on the tripod, it stood about a foot tall.

"Approximately 10 minutes or so after our arrival, I went over to this person and asked that he cease shooting in order that we could go down and check our targets. It was at this time that I observed the small gun in his 'satchel' and the other details listed above. On one other occasion during the hour that we were there, I asked this person if he would again cease firing in order that we could check our targets

"Based on my observations of this person, I can definitely say that he is not identical with the person pictured in the photographs displayed to my by Special Agent DAVIS. I did recognize the photographs as being the person identified in the newspapers as SIRHAN SIRHAN. I did not observe SIRHAN on the pistol range while I was there or anyone resembling him.

The younger individual was approximately 20 years of age and wearing an Army type fatigue hat, with civilian clothes. His build was small and he weighed about 150 - 160 pounds. He was approximately 5 foot 6 inches tall. The older man was between 45 and 50 years of age and weighed approximately 175 pounds. He was wearing a jacket and pants. His hair was 'salt and pepper' graying. I did not observe these individuals sufficiently to furnish any additional description of them: nor did I know either, or observe their mode of arrival. I did not notice any conversations between these 2 persons and the man on the west end of the pistol range other than when they first arrived, as mentioned above, which conversation I could not hear.

About 20 minutes later, a white male and female arrived at the range. I noticed them because she was the only female on the range and both had to walk near me to enter the rifle range. They both went over on the rifle range, where there were also other males, unknown to me, also firing on the rifle range. I did not talk to either of them. The man was a heavy set male, 45 to 50 years of age, weighing 175 to 180 pounds. The woman was about 18 to 19 years of age, 5 foot 2 inches to 5 foot 3 inches tall, with a slender build, weighing approximately 100 pounds. She had blond hair and was wearing a scarf. She was shooting a .22 caliber rifle. She had on slacks. This is all I can recall of their description. Neither of these two persons ever came over to the pistol range. I cannot recall anyone from the pistol range ever going over to the rifle range to talk with them.

When we left, the man was still at the west end of the pistol range, and the other two individuals were still shooting at mid range. CLAUDIA JUNE WILLIAMS, 2428 Sierra Leone Street, Rowland Heights, California, telephone 965-1870, was interviewed by SA GEORGE M. KLING and Detective Sergeant MIKE MC GANN, Homicide Division, Los Angeles Police Department (LAPD). After identifying themselves as being a Special Agent of the FBI and a Detective Sergeant of the LAPD, respectively, WILLIAMS supplied the following information:

She is currently employed as a barmaid at the Briar Patch Bar, 4373 East Live Oak, Arcadia, California, telephone number 445-3050.

On June 4, 1968, she and her husband, RONALD, decided to go to the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California, for the purpose of target shooting. She stated that they left the children at a babysitter, MARGIE THROM, telephone number 965-1094, and then stopped by the Briar Patch Bar in order to obtain directions to the gun range as neither she nor her husband had ever been to the range before. After receiving directions, they proceeded to the general vicinity of the range until they met a Temple City Deputy Sheriff from whom they asked additional directions. She stated that she thought the Deputy Sheriff was named RON LANDER. She stated that they arrived at the range at approximately 3:50 PM.

WILLIAMS further advised that it was her intention to shoot a .22 caliber revolver which she had received for Christmas in 1966, yet had never fired the gun. At this point, WILLIAMS brought forth the gun which she said that she had taken to the range on June 4, 1968, and it was personally observed that the gun was a .22 caliber High Standard Double Nine nine shot revolver bearing serial number 1553884 and possessing bone or ivory colored handles. She stated that her husband had just recently purchased a rifle from the Gemco Store in La Puente, California, and it was his desire to practice with this gun at the range.

WILLIAMS brought forth the rifle which she said her husband had taken to the range on June 4, 1968, and it was personally observed to be a 30-30 caliber Marlin, Serial Number AC11147, capable of holding seven rounds of ammunition.

WILLIAMS further advised that upon arriving at the range and being informed by the Range Officer that the range closed for firing at 5:00 PM, she and her husband engaged in a discussion as to whether to go ahead and fire on the range after paying the admission fee since they were going to be able to fire for a relatively short time. She stated that she recalled saying something to the effect that she had had the gun for a long time and since they already were there, she wanted to shoot it today. She stated that her husband had told the Range Officer that she wanted to shoot the pistol and he wanted to go to the rifle range. After the attendant told them that they could not fire both weapons on the same range, they decided to proceed to the respective ranges and do some shooting. WILLIAMS then went to a firing position close to the range house and, as best as she can recall, it was around firing position 22 or 23. She stated that the Range Officer put her target in place for her and she started shooting.

WILLIAMS stated when she went to the pistol range, there was only one other individual on the range firing at a position about midway along the firing range. As best as she can recall, this individual was firing around position 9 or 10. After firing about 18 rounds, WILLIAMS stated she was having difficulty firing the gun and she called to the individual firing down the range from her and asked him if he knew anything about guns. The individual came over to her and proceeded to give her instructions regarding the firing of the gun, how to get a proper sight picture, and other basic fundamentals of firing procedure.

WILLIAMS described this individual as about 5'2" to 5'3" in height, 25 years of age, dark curly hair, small build, bare headed, wearing casual clothes, and appearing to be of Spanish or Italian extraction. At this

3
LA 56-156

point, WILLIAMS was shown several photographs, including the photograph of SIRHAN SIRHAN, and WILLIAMS stated that the photograph of SIRHAN SIRHAN was definitely the individual whom she had seen and asked for assistance at the range.

She stated that after some discussion with SIRHAN about firing procedure, SIRHAN took her gun and fired about 18 or 20 rounds with it and then gave her further instructions on proper firing procedures. SIRHAN then asked her if she wanted to fire his gun. She stated that he had a small black or blue colored gun and was firing Mini Magnum shells. WILLIAMS stated that she did not know very much about guns and could not tell what make, model or caliber the gun was. She stated that she proceeded to shoot about two chambers of ammunition from SIRHAN's gun but that she did not know how many rounds the gun actually held. She stated that there was no one else on the pistol range at this time other than she and SIRHAN. She said that SIRHAN was at her position giving instructions and firing for approximately 20 minutes. She stated that while SIRHAN was still at her position, her husband returned from the rifle range and they engaged in a short conversation at that point, concerned mostly about SIRHAN's gun.

She further advised that they were at the range for a period of about one hour and, after being told by the Range Officer that firing had to cease on the range, she and her husband left for home. She stated that she and her husband had to make some preparations prior to leaving the range and she thought SIRHAN had left approximately five minutes before their departure. She stated that she did not observe any vehicle which SIRHAN may have been driving.

She stated that she had never seen SIRHAN before that time on the range. There was no one else on the pistol range except she and SIRHAN. She stated that their conversation had concerned itself entirely with firearms and that he made no reference to any future plans.

HENRY ESTRADA CARRILLO, Room Service Manager, Ambassador Hotel, 3400 Wilshire Boulevard, Los Angeles, California, advised he resides at 2967 West San Marino Street, Los Angeles, and has home telephone number 383-7575.

CARRILLO advised at about 12:20 a.m., on the morning of June 5, 1968, he was sitting at his desk in the Room Service Office, when he heard what sounded like a gun shot from the Embassy Room Service Pantry. About one second later he heard a second shot and after about a two second delay, a series of about six shots. Immediately after hearing the series of shots, he ran through the kitchen employees' dining area and as he approached the entrance way into the Embassy Room Service Pantry, he observed one JUAN ROMERO, a hotel employee, holding Senator ROBERT F. KENNEDY in his arms. He recalled that Senator KENNEDY was lying on his back; however, he was unable to furnish any other details concerning that immediate area.

CARRILLO started back toward his office to call an ambulance, at which time he observed a tall heavy Negro man, whom he later learned was ROOSEVELT GRIER, leaning against a steam table with his hands against his head saying, "Oh no, oh no", several times. About six feet away from GRIER were three or four persons wrestling with an unidentified person. All CARRILLO could see was this unidentified person's arm waving a pistol with the surrounding persons attempting to grab the gun. At this time, many people began to converge on the area from the main lobby of the hotel and the Embassy Room.

CARRILLO finally ran back to his office, and as he arrived there someone was using his telephone. Therefore, he ran back to the Embassy Room Service Pantry

and observed several individuals, including KARL UECKER, Maitre d', EDDIE MANASIAN Assistant Maitre d', and ROOSEVELT GRIER attempting to protect the individual who was waving the pistol several minutes before. CARRILLO stated that he attempted to get a look at the individual but could not due to the crowd of people around him.

At this time, NIWA YOSHIO, cook at the hotel, told CARRILLO that he should go get some rope in order that the above individual could be tied up. He ran to his office and obtained a segment of rubber extension cord and returned to the pantry. An unidentified person took the cord from him, then due to the fact that he was very nervous, CARRILLO returned to his office.

About three to five minutes later, he returned to the pantry and observed three uniformed Los Angeles Police Department officers escort the individual CARRILLO observed waving the pistol in the Embassy Room Service Pantry out of the pantry and into the Colonial Room located adjacent to the east end of the pantry.

LUIS ALBERTO DEL MORAL, 3184 West Eighth Street, Los Angeles, California, no telephone, was interviewed at the Ambassador Hotel where he has been employed as a banquet houseman for approximately ten years. He furnished the following information:

His Social Security Number is [REDACTED]. He was born [REDACTED] at Cabezas, Nicaragua.

On June 4, 1968, he began work at the hotel at approximately 3 PM and continued to work at the hotel until approximately 1 AM on June 5, 1968.

He was working with JUAN M. ANGUIANO in the Regency Room of the hotel at approximately 12:15 to 12:30 AM on June 5, 1968.

Just before 12:30 AM, a man came running into the Regency Room and asked them where he could find a public telephone so that he could make an emergency call. This individual was carrying KENNEDY hand-out materials in his hand and was very upset and excited. DEL MORAL told this man that there was no phone in the Regency Room and he would probably find one in the lobby. A few moments later, he observed that this same individual was being held by the arm by one of the uniformed security officers employed by the hotel. He advised that the security officer was a Negro male and he believes that he had an Ace Guard Company uniform. He described the individual who came in looking for a phone as being a White male, 21 to 23 years, dark wavy hair, olive or tan complexion, wearing sweater (color not recalled), gray pants, and a white or blue shirt.

Shortly after this incident, he heard that Senator ROBERT F. KENNEDY had been shot near the Embassy Room.

He was shown a photograph of SIRHAN BISHARA SIRHAN and he advised that he has seen SIRHAN's photograph in the newspaper as well as having seen SIRHAN on television. He stated that he does not recall ever having seen SIRHAN at any time prior to having seen him in the newspaper.

area. I was standing between the pantry and the kitchen, about ten to fifteen feet from Senator Kennedy when I heard several loud noises which sounded like shots. At that time Senator Kennedy was shaking hands with the two cooks and I saw him double up and fall backwards to the floor. A large crowd of people immediately gathered around him and then I saw three or four men wrestling with a man who had a gun in his right hand. The man with the gun was standing about eight or ten feet from Senator Kennedy and was a young man about twenty or twenty five years of age. He was wearing a blue sports coat. I just got a glimpse of the side of the man's face and could not identify him from that quick glance other than to say he was a young man. I also noticed the man had a lot of black hair which appeared uncombed. The only man I recognized who was wrestling with the man was Carl Yucker, the banquet captain. I recall seeing the same man about twenty minutes prior to that time as he was walking into the Colonial Room. The man was alone and I only saw him from the rear, but I recognized him because of the same blue sport coat.

"The men who were wrestling the man with the gun were near the steam tables and they finally got the man on the steam table and held him down. My attention was then directed again to Senator Kennedy who was lying on the floor. I saw blood on his stomach and on the right side of his head. Then the crowd of people moved in around Senator Kennedy and I didn't see him anymore. I then returned to the kitchen area and did not see either Senator Kennedy or the man with the gun again.

"I have seen a photograph of Sirhan Sirhan and I do not know him. Further, I can not positively say he was the same man I observed with the gun the night Senator Kennedy was shot. I do not recall ever seeing anyone resembling Sirhan Sirhan in or around the hotel

"Shortly before twelve o'clock midnight on June 4, 1968, I was sitting in the kitchen employees' dining room adjacent to the Embassy Room Service Pantry. I was sitting with Jesus Perez, hotel employee, and a hotel security guard whose name I do not recall. As we sat at the table, I saw Senator Robert F. Kennedy and other persons walk through the dining room and proceed to the Embassy Room.

"I remained at the dining table figuring my work schedule when at about 12:15 a.m., June 5, 1968, I heard what sounded like three firecracker explosions. About two seconds later, I heard a burst of about six more firecracker explosions. As best I can recall, there was about one second delay between the first and second explosion, and about the same length of time between the second explosion and series of about six bursts. I looked up to see what made these noises and saw small lines of smoke coming from the Embassy Room Service Pantry.

"Immediately I arose from the table, ran into the pantry, and stood next to a metal tray stand across from a row of chrome steam tables. I saw two white male Caucasians wearing Kennedy campaign sportcoats and top hats standing on each side of a slender built male who appeared to be of Cuban descent standing against the steam tables. This person waved a pistol with his right hand, thus I yelled out to the effect, let's get him. The two men in the Kennedy campaign clothes grabbed the person waving the pistol before I did, and in the confusion, someone jumped ahead of me before I could reach him. However, I was able to observe his face and the pistol he held in his hand.

"By this time, several persons had shoved the above person against the steam tables, and had him sprawled over the table; but he was still waving

the pistol. I ran around to the other side of the steam tables in attempt to get the gun but too many people blocked my path. As I turned, I observed Senator Robert F. Kennedy lying on the floor of the Embassy Room Service Pantry. I ran to the Room Service desk to call for an ambulance; however, the phone was being used. I then ran to the Room Clerk's Office in the main lobby, but his telephone was also in use. Unable to locate an unused telephone, I ran back to the Embassy Room Service Pantry.

"Senator Kennedy was still lying on the floor; however, the person waving the gun had been moved down to the east end of the Service Pantry and was being held against the steam tables. I walked down toward where the individual was being held and saw Karl Eucher, Maitre D'Hotel, and Eddie, last name unknown, Assistant Maitre D', along with a tall heavy Negro in a maroon sportcoat, holding this individual against the steam tables.

"Eddie asked me to go get some rope in order that they could tie this individual up. I turned to go find some rope, however, I saw some Los Angeles Police Department officers enter the pantry. From that point, I assisted the police department and ambulance crews load the wounded individuals (total of four including Senator Kennedy), onto the service elevator and out of the hotel.

"I did not observe the police officers take the above individual who waved the pistol from the Embassy Room Service Pantry; however, as stated, I did observe him when I ran into the Pantry after hearing the above described explosions. The following is a physical description of that person:

"I have been shown a photograph of Sirhan B. Mr. GILBERTO GONZALEZ, Assistant Maitre d'Hotel, Ambassador Hotel, 3400 Wilshire Boulevard, Los Angeles, advised that a review of his records reveal that on the evening of June 4, 1968, the following four men were working in the Rafferty Campaign Headquarters located in the Venetian Room of the Ambassador Hotel, 3400 Wilshire Boulevard:

HAVIER CUEVA
BLAISE MINNS
FRANK KWINONEZ
MANUEL RODRIGUEZ

Mr. GONZALES advised additionally that three other waiters were working in a nearby anteroom, not actually the Venetian Room, and he stated that they also were working on the evening in question.

ELIO HERNANDEZ
HECTOR SUPERVILLE
(FNU) CETINA

Mr. GONZALEZ advised that there were no female employees working in the Venetian Room on the evening of June 4, 1968, in that there were only male waiters and bartenders working.

Mr. GONZALEZ advised that he was in the vicinity of the Venetian Room at approximately 8:30 PM on the evening of June 4, 1968, and he stated that he positively remembers observing a few "hostesses" who were apparently campaign workers for the Rafferty cause.

GONZALEZ advised that it was possible for a female hostess to go to the bar and order a drink for an individual and deliver this drink to the person in question. He stated, however, that this was probably not a normal procedure in the Venetian Room in that the hostess in question would have to pay for the drink at the bar before leaving.

He related that while sitting at a table with several fellow employees counting the tips received that evening, an unrecalled employee rushed into the room and announced that a shooting had occurred in the kitchen. PENZA stated that he left the table and rushed to the kitchen area to a spot which adjoined the Embassy Room, where he noticed a dark complected man being held around the neck by a 6'5", 250 pounds Negro. PENZA stated that the entrance way to the kitchen on the Embassy Room side was a mass of people and confusion and after a brief moment he was pushed out of the way. He stated that he then returned to the Coconut Grove to pick up his tips and subsequently left en route home.

PENZA was thereafter displayed a photograph of the subject, SIRHAN BISHARA SIRHAN, and he advised that it appeared to be identical with the individual who was being held by the aforementioned Negro.

1.

Date 6/14/68

JESUS PEREZ, who resides at 1415 South Burlington Avenue, Los Angeles, and who works as a kitchen helper at the Ambassador Hotel in Los Angeles, was interviewed in the Spanish language by SA E. RHEAD RICHARDS, JR. Due to the fact that PEREZ is unable to read well in either English or Spanish, and what little reading he can do must be done with the aid of a magnifying glass because of poor vision, no signed statement was taken from him. He furnished the following information:

PEREZ stated that he was born on April 7, 1923, at Los Angeles, California, and that his parents were Mexican citizens living in the United States. He stated that at an early age his family returned to Mexico and he was raised in Mexico City. PEREZ advised that he has worked at the Ambassador Hotel in Los Angeles since the year 1955, and that he is presently working the 4:00 p.m. to midnight shift working in the kitchen.

PEREZ advised that he was working this shift on the date of June 4, 1968, and that shortly before midnight, or approximately 11:30 p.m., June 4, 1968, he and several other kitchen employees were standing in the pantry watching the happenings connected with the victory speech of Senator ROBERT F. KENNEDY. PEREZ stated that approximately one half hour before midnight, the man who was later identified to him as SIRHAN SIRHAN, was also in the pantry of the Ambassador Hotel and appeared to be just another curious onlooker waiting to get a glimpse of the celebrities.

He stated that SIRHAN asked him and the other kitchen employees three or four times if they were sure that Senator KENNEDY would pass that way as he left the Embassy Ballroom. PEREZ advised that he simply told SIRHAN that he did not know.

PEREZ stated that SIRHAN was just standing around waiting as-was-everyone else, but that he did notice that he, SIRHAN, had some type of papers in his hands and that he was folding them or twisting them in some way, which gave the impression that he was nervous.

PEREZ advised that about 15 or 20 minutes after midnight, or approximately 12:15 a.m., June 5, 1968, Senator KENNEDY and his party left the Embassy Ballroom and entered the pantry where he and the others were standing. He stated that all of the people in the pantry, including himself and his fellow workers, pressed forward to greet the Senator and attempted to shake his hands and meet him. PEREZ stated that he was shaking the Senator's hand, or rather the Senator was just letting go of his hand after having greeted him, when he heard a noise which sounded to him like a gun shot or a fire cracker. He stated that he turned his head and saw the man later identified as SIRHAN SIRHAN, waving his arm with an object in his hand, which PEREZ recognized as a revolver. He stated he saw the individual with the gun fire several more shots just as several men grabbed him in an attempt to subdue him and take away the pistol. PEREZ stated that his first thought was that the man was simply making noise and waving his arm to get people out of the Senator's way, but that he quickly realized that he was actually firing the gun. He stated that after seeing the man partially subdued by others, he turned to look back at Senator KENNEDY and saw that both the Senator and one other individual had fallen to the floor.

PEREZ advised that at this point many people crowded around KENNEDY and that he, PEREZ, backed up slightly into the crowd to make room for those who would have to care for the wounded. He stated that everyone was yelling and milling about and calling for the police and an ambulance, and that in a few minutes the ambulance came and the Senator was taken out.

3
LA 56-156

PEREZ recalled at this point that when he had seen SIRHAN prior to the shooting in the pantry, he appeared to be alone and that at no time did he, PEREZ, see anyone else who appeared to know or be accompanying SIRHAN. PEREZ stated that while SIRHAN was shooting the last several shots he appeared to be saying something, but that he, PEREZ, could not make out what SIRHAN said because of the noise of the crowd. He further stated that after having seen SIRHAN subdued by other men, he did not see him again.

PEREZ stated that he had no idea how many people had actually been in the pantry and hall during the shooting inasmuch as everyone, including the press and the onlookers, had been coming and going during the entire evening.

PEREZ advised that shortly after the ambulance had taken Senator KENNEDY away, a detective from the Los Angeles Police Department took him to the Rampart Division Office in Los Angeles where he was interviewed and then taken to the hotel from where he proceeded to his home.

PEREZ advised that he had appeared before the Los Angeles County Grand Jury and that he had identified a photograph of SIRHAN SIRHAN as being the same individual that he saw shooting the gun in the pantry at the Ambassador Hotel. He stated that should he recall any further information that he feels would be of interest to the FBI, he would immediately contact the Los Angeles Office.

Mr. REDMIER advised that on the night of June 4, 1968, he was on duty in the public address booth of the Embassy Room at the Ambassador Hotel and could observe the activities of the room through a two-way mirror in the booth. He stated that after Senator KENNEDY had finished talking, he believes the Senator left the stage through the doors at the rear of the podium but that there were so many people blocking his view that he could not see the Senator clearly after he left the podium. Shortly after the Senator apparently left the podium, he heard a woman scream, "He's been shot!" Two large men ran onto the podium and, through the microphone on the podium, shouted, "Clear the room!" Shortly after, one of these men, through the same microphone, shouted, "Turn out the lights!" Almost immediately most of the lights went out, however, some of them remained on and REDMIER went to the switchbox on the standard located on the opposite side of the podium from the two swinging doors leading into the corridor to the rear of the Embassy Room pulling the switch and darkening the entire Embassy Room. REDMIER then went to the National Broadcasting Corporation (NBC) truck parked in the main driveway off of Wilshire Boulevard to the rear of the Embassy Room location and, at this point, saw someone being carried on a stretcher from the rear of the Embassy Room.

Mrs. FRANK (EVELYN) SMITH, 1691 West Jefferson Boulevard, was interviewed concerning information she might possess regarding the assassination of Senator ROBERT F. KENNEDY. She furnished the following information:

She is employed as a relief powder room girl at the Ambassador Hotel, Los Angeles. Her duties include replenishing the supply of tissue and other items in the powder rooms of the hotel. In carrying out her duties, she generally moves between the several different powder rooms in the basement and lobby floor of the hotel.

She was on duty until about 11:30 p.m., June 4, 1968. She had intended to stay after working hours so she could listen to and perhaps observe Senator KENNEDY; however, her husband was waiting for her outside the hotel to take her home, so she departed the hotel at 11:30 p.m.

During the evening, several young people asked her where the Senator would deliver his victory address. She told them that it would probably be delivered in the Embassy Room. None of these people was SIRHAN SIRHAN, accused assassin of Senator KENNEDY. Further, she did not overhear any conversations which indicated a plot to assassinate the Senator.

"I, Roy Varrow, banquet manager at the Ambassador Hotel in Los Angeles, voluntarily make the following statement to David R. Pender, who has identified himself to me as a Special Agent of the Federal Bureau of Investigation.

"I was born on May 20, 1930, at London, England. I have been employed by the Ambassador Hotel for 3 months. I now reside at 430 South Berendo, Los Angeles.

"I was at the Ambassador Hotel from 9:00 AM on June 4, 1968, until approximately 1:00 AM on June 5, 1968. During Senator Kennedy's victory speech in the Embassy Room I was near the front of the stage. When Senator Kennedy finished his speech, I left the Embassy Room through the front door, and I was headed toward the Colonial Room where a press conference was to be held. I was standing in the hall in front of the Embassy Room, near the swinging doors which lead to the kitchen, when I heard 2 or 3 pops in quick succession. At the time I thought these noises were balloons popping. I then heard a commotion in the kitchen and Uno Timonson came out and said something about "shooting". No one else came through the swinging doors while I was there. I went into the kitchen right after Timonson came out of it, and I saw a struggle going on. I jumped on top of the ice machine and I saw that several men had a man pinned against the ice machine. This man's head was on the ice machine, and I was about 6 inches from him. I did not see the man's hands, nor did I see a gun. I have been shown a photograph of Sirhan Sirhan, and the man in

Her office is located in the Linen Room on the Casino Level of the hotel. She takes requests from customers who need linen or maid service. On Monday, June 3, 1968, between 9:30 PM and 9:45 PM, she was sitting at a desk in her office completing paper work. She looked up from her work and she observed two men in the room. The taller of the two men walked past her and peered into the Executive Housekeeper's Office. The shorter man stood facing her and the taller remarked, "We are impressionable young men and we would like to see Mr. Kennedy". She indicated to the men that she did not know where Senator KENNEDY was staying in the hotel and she told the men that they had no business in the area as it was the private property of the hotel.

JULIO (Last Name Unknown)(LNU), who is the Houseman at the hotel, walked into the area at this time. She told JULIO to take the men to security and the men left the Linen Room following JULIO. A short while later, JULIO returned and stated that he had escorted the men down the steps, to the basement area, to the guard located at the time clock area. JULIO stated the men had asked him for a white waiter's jacket so that they could go see Senator KENNEDY.

After talking with JULIO, VENABLES telephoned HANS KORTHOFF, who is the Night Manager of the hotel, and she told him of the incident. KORTHOFF replied that the lobby was full of hippies and they were taking over the place.

She did not recall the man speaking with any accent and, to her knowledge, only JULIO and herself observed these men.

On June 10, 1968, NIWA YOSHIO, a cook at the Ambassador Hotel, 3400 Wilshire Boulevard, Los Angeles, California, was interviewed at the hotel at which time he furnished the following signed statement:

"June 10, 1968
Ambassador Hotel,
Los Angeles, California

"I, Niwa Yoshio, hereby furnish the following voluntary statement to Frank E. Chovanec who has identified himself to me as a special agent of the F.B.I.

"I have been advised that I could be required to appear before a court of law.

"I was born on May 18, 1946 in Japan and arrived in the United States approximately five years ago. I reside at 2877 Edgehill Drive, Los Angeles, California and have been employed as a cook at the Ambassador Hotel since January, 1968. On June 4, 1968, I was working from 5 PM to 1 AM on June 5, 1968 in the 'coldmeat' department in the kitchen. I don't remember exactly at what time but it was shortly after 12 midnight when I heard a noise which sounded like a 'snap' of a party streamer. There were about five 'pops' or 'snaps' which did not sound like a gun.

"I ran from the kitchen, my station, to the Embassy service pantry. I saw a lot of people screaming and crying. I saw people holding a man who had a gun in his hand. I ran over to them and tried to reach over the steamer counter to grap his arm but someone

"else held on to him and pulled him away further down along the service pantry and onto another steamer counter. Just before this they took the gun away from him. After this I held his arm for a short time but don't remember how long. Someone said to get a rope. So someone else took his arm while I went for a rope. I ran to the room service but didn't get a rope and came back to hold the man's arm again. I held his arm until the police arrived.

"While I did not see the shooting occur when I ran into the service pantry I heard someone say 'they shot him' and all I could think of was Senator Kennedy. I did not know the size of the gun but it was small and dark.

"The man I was holding was about 5 feet 3 or 4 inches and 'skinny'. He had wavy hair but I can't remember the color only that it was long. He had small eyes, thin lips and dark complexion. He wore a white shirt, no tie, and light blue jacket.

"I will never forget his face even though I have never seen him before. I do not know if he was with anyone else at the hotel.

"During the time I held him I did not hear him say anything.

"I have read the above statement consisting of this and two other pages and I have initialed each page and it is true and correct to the best of my knowledge.
